Expression of Interest for “Procurement of Certified Candidate material for manufacturing of IPBRS and IPHERS at IPC”

Indian Pharmacopoeia Commission (IPC) is an Autonomous Institution under the Ministry of Health and Family Welfare, Government of India. The basic function of IPC is to update regularly the standards of drugs commonly required for treatment of diseases. It publishes official documents for improving quality of medicines by way of adding new and updating existing monographs in the Indian Pharmacopoeia (IP). It further promotes rational use of generic medicines by publishing National Formulary of India (NFI)

Further, this commission is also performing other related task such as preparing, certification, and distribution of Reference Standard (IPRS) and Impurity Standard to the stakeholders in order to control the quality of the drug products; acting as National Coordination Centre for Pharmacovigilance Program of India (PvPI).

This commission is interested to procure certified candidate materials for the manufacturing of Indian Pharmacopoeia Botanical Reference Substance (IPBRS) and Indian Pharmacopoeia Herbal Extract Reference Substance (IPHERS).
