# STRENGTHENING MEDICAL PRODUCT SAFETY SURVEILLANCE

## Invitation

### Greetings from Ruby Hall Clinic & IPC

It gives us immense pleasure to invite you to the **National Conference on "Strengthening Medical Product Safety Surveillance"** organized on **12th November 2022** by Ruby Hall Clinic Hospitals Pune, Maharashtra in collaboration with Indian Pharmacopoeia Commission (IPC), at Hotel Sheraton Grand, Pune.

Ruby Hall Clinic started in 1959 has become a hallmark of quality care services in Pune, Maharashtra. Our 800 bedded hospital boasts of a robust infrastructure that houses various super specialities & latest technologies used in healthcare delivery and medical procedures.

Ruby Hall Clinic Hospital is Pune's first nationally accredited multi-specialty hospital with an international repute among patients with its empathetic and effective medical care services. We are amongst the handful of centres in India to be accredited with 8 NABH and NABL certifications and a cGreen OT certification for our operation theatres. With an extraordinary array of resources for the provision of compassionate, state-of-the-art care, we are poised to identify and respond to the health-related needs of the diverse populations we serve.

This conference aims to connect with the Materiovigilance & Pharmacovigilance stakeholders from Industries, hospitals and academia of Western states of India at a common platform and address the key areas for strengthening the system of adverse event reporting for medical products.

With eminent speakers coming from all over India to enrich and enlighten with their experience and expertise, the conference shall provide ample opportunities for exchange of knowledge and ideas, establish connections and collaborations.

We extend a warm welcome to one & all to attend & participate in the 1st of its kind conference in Western Maharashtra & expect your support in making this conference a grand success.

Look forward to welcoming you soon.
