NOTICE

Subject: Clarification of IP General Chapter 2.5.4 (i). Uniformity of Dosage Units- regarding.

This is to bring in the notice of all the stakeholders that IPC has recently introduced a General chapter on 'Uniformity of Dosage Units' in harmonisation with other pharmacopoeias under section 2.5.4. (i) on page 361, Volume I of IP 2022.

This chapter is presently introduced in IP for information and awareness of the stakeholders and is not referred in individual monographs and therefore remains non – mandatory requirement. However, stakeholders may adopt this chapter before its implementation is made mandatory by the IPC.
