

Indian Pharmacopoeia Commission

Calendar of Events

[June - December 2026]

The Indian Pharmacopoeia Commission (IPC) presents a series of strategic engagements aimed at strengthening drug standards, regulatory frameworks, and patient safety across the country. Through collaborative platforms and capacity-building initiatives, IPC continues to advance quality assurance and pharmacovigilance systems. These efforts reflect IPC's commitment to safeguarding public health and ensuring the quality, safety, and efficacy of medicines in India.

S. No.	Name of the Event	Objective / Purpose	Who Can / Should Attend	Date	Location/ Venue	Organizer	Point of Contact
1.	Scientific Conclave & Interactive Session on Indian Pharmacopoeia 2026	To highlight the role of IP in ensuring the quality, safety, and efficacy of pharmaceuticals; and to provide updates, regulatory perspectives, and industry insights on pharmacopoeial standards	Drug regulators, pharmaceutical industry professionals (QA/QC, R&D), academicians, researchers, analysts, healthcare professionals, and stakeholders involved in drug standardisation and quality assurance	10 th June 2026	N3 Akums Townhall, Akums 9, IIE SIIDCUL, Haridwar	IPC, Ghaziabad in collaboration with Association of Devbhumi Pharma Industries	Dr. Shruti Rastogi
