## Expression of Interest for

### “Empanelment of Manufacturers for Supply of Pharmaceutical Impurities”

Indian Pharmacopoeia Commission (IPC) is an Autonomous Institution under the Ministry of Health and Family Welfare, Government of India. The basic function of IPC is to update regularly the standards of drugs commonly required for treatment of diseases. It publishes official documents for improving quality of medicines by way of adding new and updating existing monographs in the Indian Pharmacopoeia (IP).

“One of the important mandates” of IPC is to provide the Indian Pharmacopoeia Reference Substances (IPRS) and **impurity standards to the stakeholders** in order to control the quality of the drug products. Impurities have become an important asset in the field of pharmaceutical industry. In today’s scenario, Impurity Reference Standards are the necessary for maintaining the high standards of the drugs.

In order to prepare and make available the impurity standards at IPC to the stake holders, IPC seeks empanelment of Manufacturer of Impurities.
